Now's your chance! Students will work to design their own custom T-shirt using digital graphic design tools. A professional screen printing company will turn the design into a real life T-shirt and ship it to your house! Experienced instructors will teach students how to run the software and guide them as they turn their visions into a reality!</p>

<p style="text-align: center;"><u>June 9-11th</u></p> <p>1:00-4:00pm</p> <p>Fee: \$85 With drone: \$125</p>	<p style="text-align: center;">Entering grade 3rd-9th</p> <p style="text-align: center;">20 students</p>	<p style="text-align: center;"><u>Drone Racing</u></p> <p>Students will learn how to fly like the pros in the Drone Racing League by training on a flight simulator. Once they learn the basics of flying, they'll assemble their very own drone. They'll get to keep it after the camp if they purchase it. After learning drone safety and maintenance, students will take their drone to the skies and compete in numerous races and challenges. Led by experienced instructors, students will leave camp with the skills and knowledge to pilot their drones and keep them running. The drones used in camps have cameras, and are perfect for entry level pilots.</p>
